

# TOKEN HUNTER

Volume No. 1 No. 23 A publication of the NATIONAL UTAH TOKEN SOCIETY  
P.O. Box 26246 Salt Lake City, Utah 84126

Dedicated to the Collecting, Recording, and Preservation  
of Tokens and Medals.

## NOVEMBER

At our October N.U.T.S. meeting, several of our members displayed cases and tables filled with collectables. We viewed everything from medals and tokens, to dolls and dinosaurs! Bob and Carol Campbell's display was voted best in the senior division, and they won a beautiful silver dollar in a rosette. Kim Rogers walked away with the junior prize, a nice silver half. We'd like to thank all the participants for their support!!

Our November N.U.T.S. meeting, held on the 17th, will be one of the most important meetings of the year. Nominations for next year's officers will take place, and if you want to have a voice in our leadership for the coming year, plan to attend. A few days following the meeting, ballots will be mailed to each member so that everyone can vote for the people of his choice. The new officers will be announced at our Christmas Party, held on December 15th at Seaman James Bartley. To make reservations for this gala affair, contact Carol Campbell, at 467-8636. Remember how much fun we had at our Christmas party last year? You won't want to miss out on all the fun and prizes!!!

Harry Campbell's new book is now in the process of being printed and Harry hopes that it will be on bookshelves within the next few weeks, or at least early in the new year. However, because the publisher is not as familiar with tokens as we are, he is hesitant to print the book without a substantial number of pre-publication orders. If you order your book before it is published, you will receive it at a discount price of \$34.95. Time is running out, and if Harry has not received a great deal more orders within the next couple of weeks, the publisher may not feel that printing the book would be worthwhile. What a great deal of time and effort has gone into this new book! And what a great loss it would be, not only to Harry, but to all of us if we were not able to have this publication to use as a reference for now and in the future! Order your copy NOW!!!

Bruce Robinson recently handed me a list of some Murray City bars and saloons. This list may help identify some mavericks or give you an idea of the tokens still out there, waiting to be found!

Thank you, Bruce, for the hours of research that went into producing this list, and thank you for sharing it with us. I'm sure it will help many of us identify some of those mysterious mavericks!

On the following page, is a picture of the U.P. Saloon.

For those of you who may have missed our last two meetings, here are the clues Bob and Carol handed out regarding the treasure hunt they've put together. Remember, the last clues will be given out at the November meeting, held on the 17th. Plan to attend so that you can get the jump on the other club members. Remember, the treasure is valued at over \$100.00 book value!!

Our treasure is near, there is no need at all to fear.  
Just fill in the blanks; you'll laugh your way to the bank.  
This rhyme is your guide, someone has something to hide.  
If you want the dough, #1---is the place you will go.  
A #2---there will be, that is the place you'll want to see.  
"If" you look #3---, A #4---/ #5---is what you will find.  
Now you want a lead, #6---are the numbers you need.  
Here is a big clue, It's on #7---#8---.  
The end is close by, and I'm letting out a sigh!

The answer to #1 is---The sweetest part of the valley.  
The answer to #3 is---Another name for rump.  
The answer to #5 is---Brigham Young muttered some famous words. It is one of those words.

Here are the October meeting answers:

The answer to #2 is---One half of clue #1.  
The answer to #4 is---A place where the mercury would rise.  
The answer to #6 is---Streets running east to west in the Salt Lake valley are called:

GOOD LUCK!!!

U. P. Saloon was west on Main St. by Union Pacific tracks.

Carlson and Birch were co-owners.
